

Molecular Biology of Hearing and Deafness 2018

Young Investigator Satellite Symposium

Day 1, Wednesday May 16th, 2018

08:30 – 09:00	Registration
09:00 – 09:05	Opening remarks: tba
<i>09:05 – 11:20</i>	<i>“Development / Physiology / Processing” (Chair: tba)</i>
09:05 – 09:50	Lisa Goodrich , Harvard Medical School, USA „SGN diversity comes out of hiding: implications for development, function, and hearing loss”
09:50 – 10:10	Short Talk / Junior Talk „tba”
10:10 – 10:30	Short Talk / Junior Talk „tba”
<i>10:30 – 11:00</i>	<i>Coffee break</i>
<i>11:00 – 12:30</i>	<i>“Disease / Therapy / Methods” (Chair: tba)</i>
11:00 – 11:45	Albert Edge , Harvard Medical School, USA „Hair cell regeneration from Lgr5-positive cochlear progenitor cells ”
11:45 – 12:05	Short Talk / Junior Talk „tba”
12:05 – 12:25	Short Talk / Junior Talk „tba”
<i>12:25 – 12:35</i>	<i>Closing Remarks</i>
<i>13:00 – 14:00</i>	<i>Lunch Break</i>
